CONDITIONS OF HIRE

1. All equipment on hire remains the property of this Company who are the owners.
2. The minimum charge will be the daily rate.
3. A week for the purpose of hire is seven consecutive days.
4. The period of hire commences on the date the equipment leaves our works and ceases on the day it is returned.
5. Carriage undertaken by the owners is not included in the rate of hire. Delivery and collection is extra.
6. All equipment is supplied to the hirer in good condition. The hirer will be charged with the cost of repairing any damage other than fair wear and tear and the cost of replacement in the event of loss.
7. The owners will not be held responsible for any damage which may be caused by the equipment whilst it is being operated by, or in the care of the hirer or his agent.
8. Tools and leads are supplied to the hirer in good condition. Tools damaged or used beyond re-sharpening and leads returned cut or damaged will be charged to the hirer at current list price.
9. We recommend that users arrange for their own appropriate insurance cover during the hire period.
10. HEALTH & SAFETY REQUIREMENTS
Northern Power Tools & Equipment Ltd. are extremely conscious of the fact that most of the equipment we hire can be dangerous if not used correctly. Customers are assumed to be familiar with the equipment they are hiring unless our staff are advised otherwise. Demonstration and advice on how to use the equipment are available by the depot staff at the time of hiring and we strongly recommend that customers take full advantage of this service. It is expected and assumed that when equipment is taken by account customers they will have given their operatives adequate instructions regarding the safe use of the equipment.
A full range of recommended safety equipment is available at the time of hiring.
